

FOR SHE FROM SHE CHRISTMAS GIFT TAGS

Give a beautiful message alongside with your gift this Christmas! We have made these cute gift tags for you guys so you can share the powerful message "Normalize menstruation" with your loved ones.

All you have to do is print out the gift tags, by making sure to print out the two pages on each side of the same paper. Your printer either has the settings for that or you can just put the same paper in the printer twice by flipping it around and print on each side. Then cut out your favorite color and you are ready to spread love and a powerful message.

Why hide something as natural as menstruation? Let's not!
